

# HEAVY DUTY CONE LINERS

## POWERSCREEN HAS DEVELOPED NEW HEAVY DUTY CONE LINERS TO IMPROVE WEAR LIFE

### Features

- Only Powerscreen wear parts are created specifically for Powerscreen machines based upon many years of application knowledge and experience
- All Powerscreen wear parts come with OEM reliability guaranteed from Powerscreen design
- Only genuine Powerscreen parts are covered by Powerscreen parts warranty
- Powerscreen HD Mantle and Concave have both been developed to maximise wear throughout the crushing chamber

### Benefits

- Reduces the number of liner changes required
- Increases crusher uptime
- Improves cost per tonne
- The most popular versatile medium coarse liner configuration used in a wide range of applications
- Field testing has shown an increase in wear life over 30% compared to the equivalent standard Powerscreen cone liner
